### Fixed Price Adjudications

The Queensland Law Society ANA offers fixed price adjudications for small claims\*\*:

Payment Claim	Fixed Fee (inclusive of GST)
Up to \$5 000	\$ 770
\$5 000 - \$10 000	\$1 100
\$10 000 - \$20 000	\$2 200

\*\*Small claims must not have more than 2 (two) matters in dispute and must not exceed 30 (A4) pages of submissions. If it appears to the adjudicator, before accepting the nomination to adjudicate, that the application contains issues (notwithstanding the amount claimed) that render the fixed price adjudication invalid, the adjudicator will notify the claimant that the payment claim is not suitable for a fixed price adjudication. The claimant may either request the adjudicator to return the application to the ANA to reassign or withdraw or may agree with the adjudicator to proceed on an hourly rate.
