Dear Commissioner

### Charity subtypes with the ACNC

Our members who act for numerous charities are reporting that there is a lack of clarity around:

- when and by what means those charities need to update their subtype on your Register (given the commencement of the *Charities Act 2013* on 1 January 2014). We assume the next Annual Information Statement is in view; and
- Whether you will be writing to the charities who need to update their subtype or whether this is something that they each need to check themselves on the ACNC Register.

Your clarification of these issues would be greatly appreciated.

Yours faithfully

Ian Brown  
President
