 - (c) there is no necessity for the provision of information in respect of staff engaged exclusively at the Law Practice in domestic, cleaning, catering, continuing legal education, library, public relations/marketing and maintenance activities.
- (4) The QLS shall release the information collected pursuant to subrule (2) to Lexon which shall be entitled to use it for insurance purposes.

- (5) A Principal of a Law Practice who fails to provide the information as required by subrule (2) within a reasonable time is taken to have contravened, for the purpose of section 46(2)(f) of the Act, a relevant law about indemnity insurance.
- (6) Subject to subrule 10(6)(a), a Law Practice (the Applicant) may apply to Council for relief from the payment of that part of a levy payment required by the application of subrule 10(1) in respect of a Prior Law Practice, for 2012 – 2013 and subsequent years.
 - (a) In relation to any such application the Law Practice cannot seek relief:
 - (i) in the nature of an exemption from the application of subrule 10(1), and can only seek relief in relation to the outcome of applying that subrule, so far as its application relates to a Prior Law Practice, to the particular circumstances of the Applicant;
 - (ii) after the period of 12 months has elapsed from the date the Law Practice knew or was advised by, or on behalf of, the QLS, that the Law Practice incorporates the Prior Law Practice;

 - (c) Lexon is to provide its recommendation concerning the application, together with the application, to Council.
 - (d) The Applicant must submit any further relevant information requested by Lexon or Council within the time stipulated in the request.
 - (e) Council may grant such relief from the outcome of the application of subrule 10(1), so far as its application relates to a Prior Law Practice, as it considers appropriate, if satisfied:
 - (i) that exceptional circumstances warrant the relief; and
 - (ii) in the absence of such relief, the outcome would be unjust or would cause material financial hardship. The payment of the levy, any loading or excess would not, by itself, constitute material financial hardship.

- (f) In exercising its discretion Council must, without limiting the matters it may take into account in determining the application, have regard to the following matters:
 - (i) the substance of the application;
 - (ii) the recommendation of Lexon;
 - (iii) the impact of granting the relief upon the current and future operation and viability of the indemnity insurance scheme, including its possible impact upon reinsurance arrangements;
 - (iv) whether granting the relief is consistent with the policy objectives of the indemnity insurance scheme, particularly those objectives of determining the quantum of the insurance levy by reference to the risk insured and of discouraging conduct which increases the risk insured; and
 - (v) that a Law Practice required to be insured under the indemnity insurance scheme is dealt with fairly and equitably.

11 Penalty levy

- (1) A sum equal to twice the amount of any deductible payable pursuant to a Certificate of Insurance is to be paid to Lexon if the Claim in respect of which the deductible is payable arises out of:

 - (b) a failure to prosecute any such Claim with due diligence;
 - (c) a matter in which the Insured Solicitor acted in relation to the transaction giving rise to the Claim for:
 - (i) both vendor and purchaser; or

 - (d) a failure to endeavour bona fide to comply with the Conveyancing Protocol, where the Claim materially arises in respect of circumstances addressed by the Conveyancing Protocol. The Insured Solicitor shall bear the onus of demonstrating such compliance.
- (2) Rule 11(1) only applies to Certificates of Insurance up to and including the 2006-2007 insurance year.

Note: A Deterrent Excess for subsequent insurance years is dealt with in the relevant Master Policy.

12 Payment of penalty levies

Any amount required to be paid by way of penalty levy pursuant to rule 11 is payable at the time the deductible is due pursuant to the relevant Certificate of Insurance.

13 Interest on outstanding amounts

If an Insured Solicitor or Law Practice (including each Principal of the Law Practice and any Prior Law Practice) fails to make payment in full of any amount payable under this Rule, the Master Policy and any prior Master Policy (including any prior Certificate of Insurance) within 30 days of such amount becoming payable, then interest is payable at the absolute discretion of QLS, on any amount outstanding from time to time, calculated pursuant to the *Civil Proceedings Act* 2011 (Qld) section 59(3) for a money order debt and payable to the QLS or Lexon as applicable.

PART 5 – DISPUTE RESOLUTION

14 Panel of Senior Solicitors

- (1) The council of the QLS shall appoint a panel of Senior Solicitors for the purposes of this Rule.
- (2) In relation to the 2011-2012 Master Policy and/or Certificate of Insurance the function of the Senior Solicitor is to hear and determine disputes arising between Lexon and the Law Practice in relation to the Defence of a Claim as that term is defined in the 2011-2012 Certificate of Insurance but shall not extend to any disputes as to the terms or conditions upon which indemnity has been granted or denied by Lexon.
- (3) In relation to any Master Policy including any Certificate of Insurance prior to the 2011-2012 Master Policy and/or Certificate of Insurance and in lieu of any like dispute resolution provision contained in this Rule or Master Policy, the function of the Senior Solicitor is to hear and determine disputes arising between:

Lexon and the Law Practice in relation to the following aspects of any claim, or circumstance which may give rise to a claim:

- (a) the conduct of the defence;
- (b) the allocation of costs;
- (c) the terms of any settlement;
- (d) the steps taken or to be taken in mitigation of damages;
- (e) the claims reserve assessed by Lexon;
- (f) a decision on whether a claim should be settled or defended;

- (g) any apportionment of the liability for damages between Law Practices;
- (h) the application by Lexon of a Deterrent Excess;

but shall not extend to any disputes as to the terms or conditions upon which indemnity has been granted or denied.

- (4) The function of the Senior Solicitor under this Rule does not apply to any dispute under the 2012 – 2013 Master Policy (including the Certificate of Insurance) or any subsequent Master Policy.
- (5) The Law Practice and Lexon are to agree upon the Senior Solicitor from the panel appointed by the QLS. Failing agreement the CEO of the QLS will decide the Senior Solicitor to be appointed.
- (6) Lexon and the Law Practice shall make all reasonable efforts to compile a common brief of documents for submission to the Senior Solicitor within 14 days of the dispute arising, failing such agreement each party may compile and deliver to the Senior Solicitor a brief of the documents they consider relevant, within a further period of 14 days. After the 14 or 28 day period (as applicable) has passed, the Senior Solicitor will decide the matter on the documents before him or her. Each party may submit written submissions to the Senior Solicitor to accompany any brief of documents that has been provided.
- (7) The costs of the Senior Solicitor in determining the dispute are to be shared equally by the parties to the dispute.
- (8) In resolving a dispute as to whether a Claim should be settled or defended, the Senior Solicitor is to take into account the following matters:
 - (a) the amount in dispute;
 - (b) the costs of the litigation and any resources required;
 - (c) the Law Practice's prospects of successfully defending the Claim;
 - (d) each party's respective liability exposure;
 - (e) whether the continued defence costs are warranted;
 - (f) whether any proposed settlement is reasonable.

In making this determination, the Senior Solicitor shall be acting as an independent expert. The determination shall be binding upon the parties and Lexon is authorised to act on the basis of the determination.

- (9)
 - (a) The referral of a dispute pursuant to this Rule does not stay or abrogate the liability of the Law Practice to pay the Insurance levy as calculated in accordance with rule 10 upon request of the QLS.
 - (b) In the event the Senior Solicitor determines a dispute in favour of the Law Practice which would have the effect of reducing the Insurance Levy payable in accordance with rule 10, then any overpayment of the Insurance Levy as originally calculated may be reimbursed out of the Fund.

- (c) The Law Practice is to give Lexon written notice invoking the Senior Solicitor dispute resolution process within 14 days of the receipt of Lexon's decision or recommendation, failing with the Law Practice shall be deemed to have accepted Lexon's decision or recommendation.

- 1.2 GST is payable on the Insurance Levy in addition to the amounts specified in the following provisions.

2. Base levy

General

- 2.1 A Base Levy is payable as set out in Table 1.

Table 1

Band	GFI Start \$	GFI End \$	Rate \$ / Percentage
1	0	25,000.00	2,500
2	25,000.01	50,000.00	4.31%
3	50,000.01	500,000.00	0.95%
4	500,000.01	1,000,000.00	0.91%
5	1,000,000.01	2,500,000.00	0.89%
6	2,500,000.01	5,000,000.00	0.88%
7	5,000,000.01	10,000,000.00	0.56%
8	10,000,000.01	20,000,000.00	0.39%
9	20,000,000.01	and above	0.32%

- 2.2 Save to the extent paragraph 2.4 applies, where the Law Practice's Gross Fee Income ("GFI") for the 2018 calendar year (or the estimate for the 2018 – 2019 financial year where applied) (hereinafter the "Applied GFI") falls within Band 1, the Law Practice's Base Levy will be \$2,500.00.

2.3 Save to the extent paragraph 2.4 applies, where the Law Practice's Applied GFI falls within any of Bands 2 - 9, the Law Practice's Base Levy is to be calculated by adding each of the levies payable for each of the preceding Bands to the amount calculated by applying the percentile rate to the difference between the Law Practice's Applied GFI and the "GFI Start" amount for that Band (minus the one cent).

Example 1: Practice A's Applied GFI is \$200,000.00. The Practice's Base Levy will be calculated as follows:

$$\$2,500.00 + (\$25,000 \times 4.31\%) + [(\$200,000.00 - \$50,000.00) \times 0.95\%] = \$5,002.50.$$

Example 2: Practice B's Applied GFI is \$5,000,000.00. The Practice's Base Levy will be calculated as follows:

$$\$2,500.00 + (\$25,000 \times 4.31\%) + (\$450,000.00 \times 0.95\%) + (\$500,000.00 \times 0.91\%) + (\$1,500,000.00 \times 0.89\%) + (\$2,500,000.00 \times 0.88\%) = \$47,752.50.$$

2.4 For the purposes of paragraph 2, the Law Practice's Base Levy will be reduced by 20% where the Law Practice's Applied GFI is constituted by not less than 90% Criminal Law.

2.5 For the purposes of paragraph 2, the Applied GFI shall:

- (a) include the GFI of any Prior Law Practice within the relevant period;
- (b) for Law Practices that commenced practice from 1 January 2018 to 30 June 2018, be calculated by annualising the actual 2018 calendar year GFI by multiplying that actual GFI by 365 and dividing by the number of days from commencement until 31 December 2018; and
- (c) for Law Practices that commenced practice from 1 July 2018 to 30 June 2019, be calculated by annualising the estimated 2018 – 2019 financial year GFI by multiplying the estimate by 365 and dividing by the number of days from commencement until 30 June 2019.

2.6 Where the Law Practice is affiliated with any member services organisation and provides legal services to members either free of charge or at non-commercial rates, then the Applied GFI for the purposes of calculating the Law Practice's Base Levy referable to such work shall be deemed to be three times the combined remuneration (which, for this purpose, shall mean salaries and/ or consultancy fees received for services provided in relation to the member services organisation) of the Principals, employed solicitors, consultants, articulated clerks, trainees and Paralegals retained by, or who provide services through, that Law Practice.

Enhanced Management Review Program ("EMR") Discount

2.7 The Base Levy calculated pursuant to paragraphs 2.1 – 2.6 (inclusive) shall, for EMR Practices (as defined in Schedule 5) only, be discounted by 15% but subject always to the discount being no less than \$1,000 and no more than \$40,000.

2.8 Where an EMR Practice has not complied with the EMR Program (as defined in Schedule 5 as is applicable from time to time) then the EMR Practice shall, upon demand by QLS, repay to the QLS any EMR Discount received by the EMR Practice for such years in which non-compliance has occurred since the inception of the EMR Program (but in any event limited to an amount no greater than 4 times the EMR Discount received in the most recent insurance year that the Law Practice participated in the EMR Program) plus, upon demand by QLS, an administrative charge of 10% of the repayment sum.

3.2 The Loss Ratio is calculated as follows:

- (a) determine as at 31 March 2019 a 5 year Claim value for each Law Practice, calculated as follows:
- (i) total the monetary value of all Claims against the Law Practice (which for the purpose of this calculation shall include any Prior Law Practice) for which indemnity has been granted by Lexon within the five years immediately preceding 31 March 2019.
 - (ii) the monetary value of a Claim shall include:
 - (A) where the Claim has not been finalised, actual monies paid as at 31 March 2019 together with the reserve then held for the Claim by Lexon;
 - (B) where the Claim has been finalised, the actual amounts paid; and
 - (C) in all cases, the actual or reserved amounts relating to the Claimant's legal costs and disbursements and the Defence Costs but shall be net of any deductibles, Excesses or Deterrent Excesses paid by a Law Practice to Lexon and any third party recoveries received as at 31 March 2019.
- (b) determine as at 31 March 2019 a 5 year levy value for each Law Practice, calculated as follows:
- (i) where the Law Practice (including any Prior Law Practice) was insured under QLS Master Policies continuously since 1 July 2014 - the total of the monetary value (net of GST) of all Insurance Levies paid by the Law Practice (including any Prior Law Practice) for the period 1 July 2014 to 30 June 2019 (but excluding any penalty levies or Deterrent Excesses or any EMR Discount); or
 - (ii) where the Law Practice (including any Prior Law Practice) was not insured under QLS Master Policies continuously since 1 July 2014 – the five year levy value shall be calculated according to the following formula:

$$\left(\frac{\text{TotalLevyPaid}}{\text{Years}} \right) \times 5$$

Where:

- “TotalLevyPaid” is the total of the monetary value (net of GST) of all Insurance Levies paid by the Law Practice (including any Prior Law Practice) between 1 July 2014 and 30 June 2019 (but excluding any penalty levies or Deterrent Excesses or any EMR Discount); and
- “Years” is the number of years that the Law Practice (including any Prior Law Practice) has paid an Insurance Levy.

- (c) the Loss Ratio is then determined by dividing the value given in (a) by the value given in (b) expressed as a percentage.
- 3.3 The Loss Ratio determined for a Law Practice in paragraph 3.2 will attract a Claims Loading percentage as set out in Table 2. That percentage shall be multiplied by the Base Levy payable by the Law Practice calculated pursuant to paragraph 2 (excluding, for this purpose, any EMR Discount) and the resultant sum shall be payable by the Law Practice as its Claims Loading.

Example:

Practice A's Base Levy is \$9,408.00. In addition, its 5 year claim value totals \$40,000.00 and its 5 year levy value is \$33,480.00. As a consequence, its loss ratio (being the 5 year claim value divided by its 5 year levy value) is 119.5%

Applying Table 2, Practice A therefore attracts a 47.96% Claims Loading which will be applied as follows:

47.96% of \$9,408.00 = \$4,512.08

4. Recalculation of the Base Levy and Claims Loading

- 4.1 Where the annualised estimated 2018 – 2019 financial year GFI was used as a Law Practice's Applied GFI pursuant to paragraph 2, in the event that its actual GFI for the 2018 – 2019 financial year (where annualised) varies by not less than 25% from that estimate and the variance is also not less than \$50,000.00; or, alternatively, the variance exceeds \$500,000.00, then:
- (a) the Base Levy shall be recalculated pursuant to paragraph 2 using the Actual GFI for the 2018 – 2019 financial year (on an annualised basis);
 - (b) if applicable, the Claims Loading shall be recalculated pursuant to paragraph 3, adopting for the purposes of the calculation the Base Levy recalculated pursuant to (a) (excluding, for this purpose, any EMR Discount);
 - (c) where the total of (a) and (b) is less than the Insurance Levy paid for 2019 – 2020 by the Law Practice, the Law Practice shall receive a refund or be entitled to a credit against its Insurance Levy for 2020 – 2021, for that difference; and
 - (d) where the total of (a) and (b) is greater than the Insurance Levy paid by the Law Practice, the Law Practice shall be required to pay the amount of the difference so calculated in addition to, and at the same time as, its Insurance Levy for 2020 – 2021 or at such other time as demand is made.
- 4.2 Following the final resolution of a Claim (by settlement, judgement or otherwise), if the total amount paid is at least 25% less than the monetary value of the Claim calculated pursuant to paragraph 3.2 and the difference between those two amounts is also not less than \$50,000.00, then:
- (a) the Law Practice shall be entitled to a recalculation of any prior Loss Ratio within which the claim relevantly fell, adopting for the purposes of the calculation the total amount paid for the Claim; and

- (b) if that recalculation results in a reduction in the Claims Loading that the Law Practice would otherwise have paid in any prior insurance period; the Law Practice shall be entitled to a credit against its Insurance Levy for the next insurance period equal to the difference between the total Claims Loading actually paid and the amount recalculated pursuant to paragraph 4.2 (a) (excluding, for this purpose, any EMR Discount).
- 4.3 For the purposes of paragraph 4.2, the total amount paid includes, but is not limited to, any judgment sum, settlement sum, Claimant's legal costs and Defence Costs but shall be net of any deductibles, Excesses or Deterrent Excesses paid by a Law Practice to Lexon and any third party recoveries received.

5. New Law Practices entering the Scheme from 1 July 2019 to 30 June 2020

- 5.1 For the purposes of paragraph 5, a new Law Practice is one which commences from 1 July 2019 to 30 June 2020 and has no Prior Law Practice within the definition contained within this Rule.
- 5.2 Any new Law Practice to which this Rule applies shall pay to the QLS an Insurance Levy to be calculated in accordance with the following provisions. The said levy amounts are to be paid within 14 days of receiving a levy notice from the QLS.
- 5.3 The new Law Practice shall provide an estimate of the GFI from the anticipated commencement date to 30 June 2020 pursuant to rule 10 and the Base Levy payable will be calculated as follows:
- (a) The estimate of GFI shall be annualised by multiplying the estimate by 366 and dividing by the number of days remaining until 30 June 2020.
- (b) The annualised estimated GFI shall stand as the Law Practice's Applied GFI and will then form the basis for a calculation of the Base Levy in the manner provided for in paragraph 2.
- (c) The amount so determined shall then be prorated in accordance with Table 3 and it is this amount that shall be payable as a Base Levy under paragraph 5.2.

Table 3

Commencement date between (both days inclusive)	% of Total Annual Levy
1 July to 30 September	100%
1 October to 31 December	75%
1 January to 31 March	50%
1 April to 30 June	25%

- 5.4 The Base Levy determined in accordance with paragraph 5.3 shall be subject to recalculation as provided for in paragraph 4.1, where:
- (a) the references to “2018 – 2019” shall be deemed to read for the purposes of this paragraph only, “2019 – 2020”; and
 - (b) the references in paragraphs 4.1(c) and (d) to “its Insurance Levy for 2020 – 2021” shall be deemed to read “its next payable Insurance Levy”.

6. Existing Law Practices entering the Scheme from 1 July 2019 to 30 June 2020

- 6.1 For the purposes of paragraph 6, an existing Law Practice is one which was insured elsewhere immediately prior to seeking to enter the Scheme.
- 6.2 Any existing Law Practice to which this Rule applies shall pay to the QLS an Insurance Levy to be calculated in accordance with the following provisions. The said levy amounts are to be paid within 14 days of receiving a levy notice from the QLS.
- 6.3 The existing Law Practice shall provide any information requested by the QLS pursuant to rule 10 and the Base Levy payable will be calculated as follows:
- (a) In the manner provided for in paragraph 2.
 - (b) The amount so determined shall then be prorated in accordance with Table 4 and it is this amount that shall be payable as a Base Levy under paragraph 6.2.

Table 4

Commencement date between (both days inclusive)	% of Total Annual Levy
1 July to 30 September	100%
1 October to 31 December	75%
1 January to 31 March	50%

- 6.4 The Base Levy determined in accordance with paragraph 6.3 shall, where applicable, be subject to recalculation as provided for in paragraph 4.1, save that the reference in paragraph 4.1(b) to “paragraph 3” shall be deemed to read, for the purposes of this paragraph only, “paragraph 6.5”.

6.5 In addition to the Base Levy, the existing Law Practice shall pay a Claims Loading which will be calculated as follows:

(a) A Claims Loading is payable as set out in Table 5.

(b) The Loss Ratio is calculated as follows:

(i) determine as at 31 March 2019 a 5 year Claim value for each existing Law Practice, calculated as follows:

(A) total the monetary value of all Claims against the existing Law Practice (which for the purpose of this calculation shall include any Prior Law Practice) for which indemnity has been granted by any Primary Layer Insurer within the five years immediately preceding 31 March 2019.

- (B) the monetary value of a Claim shall include:
 - (aa) where the claim has not been finalised, actual monies paid as at 31 March 2019 together with the reserve then held for the Claim by any Primary Layer Insurer;
 - (bb) where the Claim has been finalised, the actual amounts paid; and
 - (cc) in all cases, the actual or reserved amounts relating to the Claimant's legal costs and disbursements and the Defence costs but shall be net of any deductibles, Excesses or Deterrent Excesses (or payments of a like characterisation) paid by an existing Law Practice to any Primary Layer Insurer and any third party recoveries received as at 31 March 2019.
 - (ii) determine as at 1 July 2019 a 5 year deemed levy value for each existing Law Practice, which shall be calculated as being 5 times the Base Levy calculated pursuant to paragraph 6.3 (but excluding any EMR Discount); save for where an existing Law Practice has been insured under a QLS Master Policy during the 5 years prior to 1 July 2019 in which case:
 - (A) for those years the existing Law Practice was insured under a QLS Master Policy the actual levies paid shall be used (but excluding any EMR Discount); and
 - (B) for all other of the 5 years, the Base Levy calculated pursuant to paragraph 6.3 (but excluding any EMR Discount) shall be used.
 - (iii) the Loss Ratio is then determined by dividing the value given in (i) by the value given in (ii) expressed as a percentage.
 - (c) The Loss Ratio determined for an existing Law Practice in paragraph 6.5 will attract a Claims Loading percentage as set out in Table 5. That percentage shall be multiplied by the Base Levy payable in paragraph 6.3 (excluding, for this purpose, any EMR Discount).
 - (d) The figure calculated pursuant to paragraph 6.5(c) shall be payable by the existing Law Practice as its Claims Loading.
- 6.6 The Claims Loading calculated in accordance with paragraph 6.5 shall be subject to recalculation as provided for in paragraph 4.2, save that the reference therein to "paragraph 3.2" shall be deemed to read, for the purposes of this paragraph only, "paragraph 6.5".

7. Amalgamation of Law Practices which occur from 1 July 2019 to 30 June 2020 to form an Amalgamated Law Practice

- 7.1 In the event that one or more Law Practices currently insured with Lexon amalgamate during the period from 1 July 2019 to 30 June 2020 (for the purposes of paragraph 7, the resulting entity is an "Amalgamated Law Practice"), and any of such Law Practices constitute Prior Law Practices of the Amalgamated Law Practice, then:
- (a) the Amalgamated Law Practice shall be insured from the date of the amalgamation in the name of the resulting entity; and
 - (b) there shall be no additional Insurance Levy then payable for the 2019 – 2020 year by reason of the amalgamation and the Insurance Levy paid by the constituent Law Practices shall stand as the Insurance Levy for the Amalgamated Law Practice; and
 - (c) the Amalgamated Law Practice stands as the Successor Law Practice of all constituent Prior Law Practices.

8. Insurance Levy payable by Law Practices with an Applied GFI of more than \$500,000

- 8.1 For Law Practices with an Applied GFI of more than \$500,000, the Insurance Levy calculated pursuant to paragraphs 1 to 7 (as applicable) of Schedule 2 may be varied by QLS having regard to the following factors:
- (a) the Applied GFI of the Law Practice (including any Prior Law Practice);
 - (b) the existing risk management systems in the Law Practice;
 - (c) the areas of law in which the Law Practice practises;
 - (d) the demonstrated expertise of the Law Practice in the areas of law in which it practises;
 - (e) the claims history of the Law Practice (including any Prior Law Practice);
 - (f) the number of Associates of the Law Practice;
 - (g) the current and future operation and viability of the indemnity insurance scheme, including securing reinsurance arrangements; and
 - (h) any other matter considered relevant by QLS in determining the Insurance Levy.

Example:

An increased Excess that the Law Practice agrees to pay in the event of a claim on the policy may result in a variation in the Insurance levy otherwise payable.

- 8.2 Lexon is to provide its recommendation regarding the matters raised in paragraph 8.1 to QLS.
- 8.3 Where a variation occurs pursuant to paragraph 8.1, it shall be the Insurance Levy that stands as the amount payable by the Law Practice for the 2019 – 2020 year.

9. Acquisition Endorsements

- 9.1 Where a Law Practice currently insured with Lexon (the "Purchaser") intends to acquire another Law Practice currently insured with Lexon (the "Vendor") and:
- (a) the acquisition will occur during the period from 1 July 2019 to 30 June 2020;
 - (b) Lexon has provided a recommendation to QLS regarding offering the benefit of this paragraph 9;
 - (c) the Purchaser has been offered by QLS, in its absolute discretion, the benefit of this paragraph 9;
 - (d) the Prescribed Fee has been paid; and
 - (e) the acquisition occurs on the Date of Acquisition;

then any Designated Claims which would otherwise be ascribed to the Purchaser shall be excluded from any calculations made pursuant to paragraph 3 or 4.2 (and the equivalent paragraphs in future years).

- 9.2 Date of Acquisition means the date of the agreed formal transfer of the Vendor's practice to the Purchaser as declared to QLS and Lexon.
- 9.3 Designated Claims mean any Claims and/ or Circumstances relating to the Vendor's Law Practice notified to Lexon after the Date of Acquisition and which:
- (a) were unknown to the Purchaser as at the Date of Acquisition;
 - (b) relate to a client matter which has been finally billed and closed prior to the Date of Acquisition; and
 - (c) had not been disclosed to Lexon by the Vendor as at the Date of Acquisition.
- 9.4 The Prescribed Fee is calculated as follows:
- (a) determine:
 - (i) 20% of the last full year Insurance Levy paid by the Vendor, but where the amount so calculated is less than \$1,000 it shall be deemed to be \$1,000; or
 - (ii) 20% of the grossed up full year equivalent of the Insurance Levy last paid by the Vendor where the Vendor has not yet paid a full year Insurance Levy, but where the amount so calculated is less than \$1,000 it shall be deemed to be \$1,000;

- (b) determine:
 - (i) 25% of the value given in paragraph 9.4(a), where the difference in Excess payable by the Vendor and Purchaser immediately prior to the Date of Acquisition pursuant to the applicable Master Policy was between \$22,499 and \$42,499; or
 - (ii) 50% of the value given in paragraph 9.4(a), where the difference in Excess payable by the Vendor and Purchaser immediately prior to the Date of Acquisition pursuant to the applicable Master Policy was \$42,500 or above.
- (c) the Prescribed Fee is the sum of the applicable values in paragraph 9.4(a) and 9.4(b).

10. Departing Practice Claims Loading

- 10.1 A Departing Practice (2019/20) shall pay upon demand by QLS a Departing Practice Claims Loading Levy as set out below.
- 10.2 The Departing Practice Claims Loading Levy payable is:
- (a) the combined total of the amounts calculated in paragraphs 10.3(e), 10.4, 10.5, 10.6 and 10.7; and
 - (b) may be payable by instalment on such terms as are reasonable in the absolute discretion of QLS.
- 10.3 A Year 1 Claims Loading is calculated as follows:
- (a) determine as at 30 June 2020 a 5 year Claim value for the Departing Practice (2019/20), calculated as follows:
 - (i) total the monetary value of all Claims against the Departing Practice (2019/20) as at 30 June 2020 (which for the purpose of this calculation shall include any Prior Law Practice) for which indemnity has been granted by Lexon between 1 April 2015 and 30 June 2020 (both days inclusive).
 - (ii) the monetary value of a Claim shall include:
 - (A) where the Claim has not been finalised, actual monies paid as at 30 June 2020 together with the reserve then held for the Claim by Lexon;
 - (B) where the Claim has been finalised, the actual amounts paid; and
 - (C) in all cases, the actual or reserved amounts relating to the Claimant's legal costs and disbursements and the Defence Costs but shall be net of any deductibles, Excesses or Deterrent Excesses paid by a Departing Practice (2019/20) to Lexon and any third party recoveries received as at 30 June 2020.

- (b) determine as at 30 June 2020 a 5 year levy value for the Departing Practice (2019/20), being the Insurance Levy (net of GST) paid by the Departing Practice (2019/20) (including any Prior Law Practice) for the period 6PM on 30 June 2019 to 6PM on 30 June 2020 (but excluding any penalty levies or Deterrent Excesses or any EMR Discount); which total shall then be multiplied by 5.
- (c) the Loss Ratio is then determined by dividing the value given in (a) by the value given in (b) expressed as a percentage.
- (d) the Loss Ratio determined for a Departing Practice (2019/20) in paragraph 10.3(c) will attract a Claims Loading percentage as set out in Table 6. That percentage shall be multiplied by the Base Levy paid by the Departing Practice (2019/20) for the period 6PM on 30 June 2019 to 6PM on 30 June 2020 (excluding, for this purpose, any EMR Discount).
- (e) The sum resulting from the calculation provided for in paragraph 10(a) – (d) (inclusive) shall be payable by the Departing Practice (2019/20) as its Year 1 Claims Loading.

Example:

The Base Levy of a Departing Practice (2019/20) is \$9,408.00. In addition, its 5 year Claim value under paragraph 10(3)(a) totals \$40,000.00 and its 5 year levy value is \$47,040. As a consequence, its loss ratio (being the 5 year Claim value divided by its 5 year levy value) is 85.03%

Applying Table 6, the Departing Practice (2019/20) therefore attracts a 30.80% Year 1 Claims Loading which will be calculated as follows:

$$30.80\% \text{ of } \$9,408.00 = \$2,897.66$$

- (b) the reference therein to "1 April 2015" shall read for this purpose of only "1 April 2016"; and
- (c) the amount so calculated shall be discounted by 5%.

Example:

The Base Levy of a Departing Law Practice (2019/20) is \$9,408.00. In addition, its 5 year Claim value totals \$35,000.00 and its 5 year levy value is \$47,040. As a consequence, its loss ratio (being the 5 year Claim value divided by its 5 year levy value) is 74.4%

Applying Table 6, the Departing Practice (2019/20) therefore attracts a 22.55% Year 2 Claims Loading which will be calculated as follows:

22.55% of \$9,408.00 discounted by 5% = \$2,015.43.

10.5 A Year 3 Claims Loading shall be calculated as set out in paragraph 10.3 save that:

- (a) the reference therein to "Year 1 Claims Loading" shall read for this purpose only "Year 3 Claims Loading";
- (b) the reference therein to "1 April 2015" shall read for this purpose of only "1 April 2017"; and
- (c) the amount so calculated shall be discounted by 10.25%.

10.6 A Year 4 Claims Loading shall be calculated as set out in paragraph 10.3 save that:

- (a) the reference therein to "Year 1 Claims Loading" shall read for this purpose only "Year 4 Claims Loading";
- (b) the reference therein to "1 April 2015" shall read for this purpose of only "1 April 2018"; and
- (c) the amount so calculated shall be discounted by 15.75%.

- 10.7 A Year 5 Claims Loading shall be calculated as set out in paragraph 10.3 save that:
- (a) the reference therein to "Year 1 Claims Loading" shall read for this purpose only "Year 5 Claims Loading";
 - (b) the reference therein to "1 April 2015" shall read for this purpose of only "1 April 2019"; and
 - (c) the amount so calculated shall be discounted by 21.55%.

11. Recalculation of Departing Practice Claims Loading

- 11.1 Following the final resolution of a Departing Practice (2019/20) Claim (by settlement, judgement or otherwise), if the total amount paid is at least 25% less than the monetary value of the Claim calculated pursuant to paragraph 10 and the difference between those two amounts is also not less than \$50,000.00, then:
- (a) the Departing Practice (2019/20) shall be entitled to a recalculation of any prior Loss Ratio within which the Claim relevantly fell, adopting for the purposes of the calculation the total amount paid for the Claim; and
 - (b) if that recalculation results in a reduction in the Claims Loading that the Departing Practice (2019/20) would otherwise have paid pursuant to paragraph 10; the Departing Practice (2019/20) shall be entitled to a refund equal to the difference between the total actually paid pursuant to paragraph 10 and the amount recalculated pursuant to paragraph 11.1 (a) (excluding, for this purpose, any EMR Discount).
- 11.2 For the purposes of paragraph 11.1, the total amount paid includes, but is not limited to, any judgment sum, settlement sum, Claimant's legal costs and Defence Costs but shall be net of any deductibles, Excesses or Deterrent Excesses paid by a Departing Practice (2019/20) to Lexon and any third party recoveries received.

12. Top Up Coverage

- 12.1 Where a Law Practice is provided with a Limit of Indemnity above \$2,000,000 pursuant to the terms of the Master Policy, the Law Practice will be required to pay an additional levy as agreed which will form part of that Law Practice's Insurance Levy.

SCHEDULE 3 – ENHANCED MANAGEMENT REVIEW PROGRAM – 2019- 2020

The terms of the Enhanced Management Review (“EMR”) Program are as follows:

1. Definitions

Consecutive File Reviews means every 2 consecutive File Reviews (for the removal of doubt, being the 1st and 2nd File Reviews, the 2nd and 3rd File Reviews, the 3rd and 4th File Reviews, and so on).

EMR Pack means the following documents available from Lexon:

- (a) the EMR Program terms (this Schedule),
- (b) an EMR file review checklist, and
- (c) an EMR log.

Note: The EMR Pack is available from Lexon at www.lexoninsurance.com.au.

EMR Practice means:

- (a) a Law Practice which has nominated to participate in the EMR Program on the Professional Indemnity Insurance Questionnaire. The Law Practice commences to be an EMR Practice from the time the election to participate is made; or
- (b) a Law Practice which has nominated to participate in the EMR Program which has an excess greater than \$30,000 per claim and which has a file review program approved in writing by Lexon to be similar to the terms set out herein. The Law Practice commences to be an EMR Practice from the time the review program is approved by Lexon.

EMR Program means the Enhanced Management Review Program as set out in paragraph 2.

EMR Review means the compliance review undertaken by an authorised delegate of Lexon of the EMR Program, either selected annually or upon a Claim being made when the circumstances giving rise to the Claim fall within the period of the EMR Program participation.

File Review means in respect of each Relevant File Author:

- (a) the completion by a Reviewer;
- (b) on or about each Review Date;
- (c) of a Lexon File Checklist;
- (d) in respect of each of 4, randomly chosen, Subject Files of the Relevant File Author.

Lexon File Checklist means:-

- (a) in respect of a paper file based practice, the EMR File Review Checklist – Paper Practice, from time to time published by Lexon; or
- (b) in respect of a paperless electronic file based practice, the EMR File Review Checklist – Paperless Practice, from time to time published by Lexon; or
- (c) such other checklist as Lexon may from time to time approve in writing in respect of any particular EMR Practice where that Law Practice had a review checklist or program in place prior to becoming an EMR Practice.

Negative Checklist Answer means the answer “No” (or equivalent), endorsed or otherwise by the Reviewer on any Lexon File Checklist used in a File Review.

Negative Results means in respect of any:-

- (a) File Review; or
- (b) Consecutive File Reviews,

3 or more Negative Checklist Answers in respect of the Subject Files reviewed, or any one of them.

Relevant File Authors includes all practising certificate holders, trainee lawyers, paralegals, conveyancing staff, and any other staff member who has day to day conduct of files. No practising certificate holder in a Law Practice, including the managing partner or main legal practitioner director, is excluded.

Review Date means:

- (a) within two (2) months of the first of July for the relevant insurance year; or
- (b) where a new Law Practice (as defined in Schedule 2) enters the EMR Program after 31 August, by the end of the relevant two month period set out in (c) in which it commenced; and
- (c) in either case, the end of each period of 2 months thereafter. For the avoidance of doubt reviews must be carried out in the periods:
 - July-August
 - September-October
 - November-December
 - January-February
 - March-April
 - May-June.

Reviewer means:

- (a) In the case of an EMR Practice comprising more than one practising certificate holder, either:
 - (i) any other Relevant File Author who is not the Relevant File Author having his or her Subject Files reviewed, or
 - (ii) if the EMR Practice has a specific risk management employee, that staff member.

The Reviewer cannot, subject to staffing numbers, be the same person for consecutive reviews unless the Law Practice has such a specific risk management employee.

Or

- (b) In the case of an EMR Practice comprising only one practicing certificate holder, whether a sole practitioner or a sole legal practitioner director (either being herein defined as a “Sole Practitioner”) and other employees who are Relevant File Authors, any other Relevant File Author who is not the Relevant File Author having his or her Subject Files reviewed.

Or

- (c) In the case of an EMR Practice comprising a Sole Practitioner and administrative staff, the administrative staff.

Or

- (d) In the case of an EMR Practice comprising a Sole Practitioner and no other staff, the Sole Practitioner.

Subject Files means current or open files where the day to day carriage of the file is with the Relevant File Author the subject of the review. These files will be selected randomly from the Law Practice’s file register by an administration employee or if the Law Practice does not have such an employee, by the Reviewer. In the case of a Sole Practitioner, this will be by the Sole Practitioner.

2. EMR Program

An EMR Practice must, from the date of election to participate in the EMR Program, comply with its undertaking to:

- (a) Ensure a Reviewer carries out File Reviews of all Relevant File Authors by the relevant Review Date; and
- (b) In the case of Negative Results in an EMR Practice comprising more than one practising certificate holder or, as the case may be, one practicing certificate holder and other employees (whether administrative staff or Relevant File Authors), have the managing partner or main legal practitioner director meet with the Reviewer and the Relevant File Author to determine the cause of the Negative Result and to document a plan to:
 - (i) manage any underlying issues giving rise to the Negative Result, and

- (ii) provide the Relevant File Author with more regular file reviews as the EMR Practice thinks fit but in any case more regularly than as required by this EMR Program, until the EMR Practice is satisfied that any underlying issue has been managed appropriately; and
 - (iii) document the outcome of the plan; or
- (c) In the case of Negative Results in an EMR Practice comprising only a Sole Practitioner:
 - (i) document a plan to manage any apparent or underlying issues giving rise to the Negative Result, which might involve:
 - (a) discussing issues with a colleague,
 - (b) discussing issues with a fellow District Law Association member,
 - (c) telephoning Solicitor Assist to discuss ways in which any Negative Results might be managed, or
 - (d) telephoning a member of Lexon's risk team to discuss ways in which any Negative Results might be managed; and
 - (ii) document the outcome of the plan.
- (d) Maintain an EMR log in the form provided in the EMR Pack which will record file review activity, any Negative Result plan and collate finalised Lexon File Checklists, all of which are to be kept for at least 5 years from the relevant Review Date, and
- (e) Participate in any EMR Review conducted by Lexon. A refusal to permit an authorised delegate of Lexon to review an EMR log will constitute non-compliance with the EMR Program.

SCHEDULE 4 – INSURANCE LEVY CALCULATION – 2020- 2021

1. Insurance levy

- 1.1 Every Law Practice to which this Rule applies shall pay to the QLS an Insurance Levy to be calculated in accordance with the following provisions. The said levy amounts are to be paid upon request by the QLS.
- 1.2 GST is payable on the Insurance Levy in addition to the amounts specified in the following provisions.

2. Base levy

General

- 2.1 A Base Levy is payable as set out in Table 1.

Table 1

Band	GFI Start \$	GFI End \$	Rate \$ / Percentage
1	0	25,000.00	2,000
2	25,000.01	50,000.00	3.44%
3	50,000.01	500,000.00	0.76%
4	500,000.01	1,000,000.00	0.72%
5	1,000,000.01	2,500,000.00	0.71%
6	2,500,000.01	5,000,000.00	0.70%
7	5,000,000.01	10,000,000.00	0.44%
8	10,000,000.01	20,000,000.00	0.31%
9	20,000,000.01	and above	0.25%

- 2.2 Save to the extent paragraph 2.4 applies, where the Law Practice's Gross Fee Income ("GFI") for the 2019 calendar year (or the estimate for the 2019 – 2020 financial year where applied) (hereinafter the "Applied GFI") falls within Band 1, the Law Practice's Base Levy will be \$2,000.00.

2.3 Save to the extent paragraph 2.4 applies, where the Law Practice's Applied GFI falls within any of Bands 2 - 9, the Law Practice's Base Levy is to be calculated by adding each of the levies payable for each of the preceding Bands to the amount calculated by applying the percentile rate to the difference between the Law Practice's Applied GFI and the "GFI Start" amount for that Band (minus the one cent).

Example 1: Practice A's Applied GFI is \$200,000.00. The Practice's Base Levy will be calculated as follows:

$$\$2,000.00 + (\$25,000 \times 3.44\%) + [(\$200,000.00 - \$50,000.00) \times 0.76\%] = \$4,000.00.$$

Example 2: Practice B's Applied GFI is \$5,000,000.00. The Practice's Base Levy will be calculated as follows:

$$\$2,000.00 + (\$25,000 \times 3.44\%) + (\$450,000.00 \times 0.76\%) + (\$500,000.00 \times 0.72\%) + (\$1,500,000.00 \times 0.71\%) + (\$2,500,000.00 \times 0.70\%) = \$38,030.00.$$

2.4 For the purposes of paragraph 2, the Law Practice's Base Levy will be reduced by 20% where the Law Practice's Applied GFI is constituted by not less than 90% Criminal Law.

2.5 For the purposes of paragraph 2, the Applied GFI shall:

- (a) include the GFI of any Prior Law Practice within the relevant period;
- (b) for Law Practices that commenced practice from 1 January 2019 to 30 June 2019, be calculated by annualising the actual 2019 calendar year GFI by multiplying that actual GFI by 365 and dividing by the number of days from commencement until 31 December 2019; and
- (c) for Law Practices that commenced practice from 1 July 2019 to 30 June 2020, be calculated by annualising the estimated 2019 – 2020 financial year GFI by multiplying the estimate by 366 and dividing by the number of days from commencement until 30 June 2020.

2.6 Where the Law Practice is affiliated with any member services organisation and provides legal services to members either free of charge or at non-commercial rates, then the Applied GFI for the purposes of calculating the Law Practice's Base Levy referable to such work shall be deemed to be three times the combined remuneration (which, for this purpose, shall mean salaries and/ or consultancy fees received for services provided in relation to the member services organisation) of the Principals, employed solicitors, consultants, articulated clerks, trainees and Paralegals retained by, or who provide services through, that Law Practice.

Enhanced Management Review Program ("EMR") Discount

2.7 The Base Levy calculated pursuant to paragraphs 2.1 – 2.6 (inclusive) shall, for EMR Practices (as defined in Schedule 5) only, be discounted by 15% but subject always to the discount being no less than \$1,000 and no more than \$40,000.

2.8 Where an EMR Practice has not complied with the EMR Program (as defined in Schedule 5 as is applicable from time to time) then the EMR Practice shall, upon demand by QLS, repay to the QLS any EMR Discount received by the EMR Practice for such years in which non-compliance has occurred since the inception of the EMR Program (but in any event limited to an amount no greater than 4 times the EMR Discount received in the most recent insurance year that the Law Practice participated in the EMR Program) plus, upon demand by QLS, an administrative charge of 10% of the repayment sum.

3. Claims Loading

3.1 A Claims Loading is payable as set out in Table 2.

118.00 - 119.99%	47.96%	180.00 - 181.99%	61.60%		

3.2 The Loss Ratio is calculated as follows:

- (a) determine as at 31 March 2020 a 5 year Claim value for each Law Practice, calculated as follows:
- (i) total the monetary value of all Claims against the Law Practice (which for the purpose of this calculation shall include any Prior Law Practice) for which indemnity has been granted by Lexon within the five years immediately preceding 31 March 2020.
 - (ii) the monetary value of a Claim shall include:
 - (A) where the Claim has not been finalised, actual monies paid as at 31 March 2020 together with the reserve then held for the Claim by Lexon;
 - (B) where the Claim has been finalised, the actual amounts paid; and
 - (C) in all cases, the actual or reserved amounts relating to the Claimant's legal costs and disbursements and the Defence Costs but shall be net of any deductibles, Excesses or Deterrent Excesses paid by a Law Practice to Lexon and any third party recoveries received as at 31 March 2020.
- (b) determine as at 31 March 2020 a 5 year levy value for each Law Practice, calculated as follows:
- (i) where the Law Practice (including any Prior Law Practice) was insured under QLS Master Policies continuously since 1 July 2015 - the total of the monetary value (net of GST) of all Insurance Levies paid by the Law Practice (including any Prior Law Practice) for the period 1 July 2015 to 30 June 2020 (but excluding any penalty levies or Deterrent Excesses or any EMR Discount); or
 - (ii) where the Law Practice (including any Prior Law Practice) was not insured under QLS Master Policies continuously since 1 July 2015 – the five year levy value shall be calculated according to the following formula:

$$\left(\frac{\text{TotalLevyPaid}}{\text{Years}} \right) \times 5$$

Where:

- “TotalLevyPaid” is the total of the monetary value (net of GST) of all Insurance Levies paid by the Law Practice (including any Prior Law Practice) between 1 July 2015 and 30 June 2020 (but excluding any penalty levies or Deterrent Excesses or any EMR Discount); and
 - “Years” is the number of years that the Law Practice (including any Prior Law Practice) has paid an Insurance Levy.
- (c) the Loss Ratio is then determined by dividing the value given in (a) by the value given in (b) expressed as a percentage.

- 3.3 The Loss Ratio determined for a Law Practice in paragraph 3.2 will attract a Claims Loading percentage as set out in Table 2. That percentage shall be multiplied by the Base Levy payable by the Law Practice calculated pursuant to paragraph 2 (excluding, for this purpose, any EMR Discount) and the resultant sum shall be payable by the Law Practice as its Claims Loading.

Example:

Practice A's Base Levy is \$9,408.00. In addition, its 5 year claim value totals \$40,000.00 and its 5 year levy value is \$33,480.00. As a consequence, its loss ratio (being the 5 year claim value divided by its 5 year levy value) is 119.5%

Applying Table 2, Practice A therefore attracts a 47.96% Claims Loading which will be applied as follows:

47.96% of \$9,408.00 = \$4,512.08

4. Recalculation of the Base Levy and Claims Loading

- 4.1 Where the annualised estimated 2019 – 2020 financial year GFI was used as a Law Practice's Applied GFI pursuant to paragraph 2, in the event that its actual GFI for the 2019 – 2020 financial year (where annualised) varies by not less than 25% from that estimate and the variance is also not less than \$50,000.00; or, alternatively, the variance exceeds \$500,000.00, then:
- (a) the Base Levy shall be recalculated pursuant to paragraph 2 using the Actual GFI for the 2019 – 2020 financial year (on an annualised basis);
 - (b) if applicable, the Claims Loading shall be recalculated pursuant to paragraph 3, adopting for the purposes of the calculation the Base Levy recalculated pursuant to (a) (excluding, for this purpose, any EMR Discount);
 - (c) where the total of (a) and (b) is less than the Insurance Levy paid for 2020 – 2021 by the Law Practice, the Law Practice shall receive a refund or be entitled to a credit against its Insurance Levy for 2021 – 2022, for that difference; and
 - (d) where the total of (a) and (b) is greater than the Insurance Levy paid by the Law Practice, the Law Practice shall be required to pay the amount of the difference so calculated in addition to, and at the same time as, its Insurance Levy for 2021 – 2022 or at such other time as demand is made.
- 4.2 Following the final resolution of a Claim (by settlement, judgement or otherwise), if the total amount paid is at least 25% less than the monetary value of the Claim calculated pursuant to paragraph 3.2 and the difference between those two amounts is also not less than \$50,000.00, then:
- (a) the Law Practice shall be entitled to a recalculation of any prior Loss Ratio within which the claim relevantly fell, adopting for the purposes of the calculation the total amount paid for the Claim; and

- (b) if that recalculation results in a reduction in the Claims Loading that the Law Practice would otherwise have paid in any prior insurance period; the Law Practice shall be entitled to a credit against its Insurance Levy for the next insurance period equal to the difference between the total Claims Loading actually paid and the amount recalculated pursuant to paragraph 4.2 (a) (excluding, for this purpose, any EMR Discount).
- 4.3 For the purposes of paragraph 4.2, the total amount paid includes, but is not limited to, any judgment sum, settlement sum, Claimant's legal costs and Defence Costs but shall be net of any deductibles, Excesses or Deterrent Excesses paid by a Law Practice to Lexon and any third party recoveries received.

5. New Law Practices entering the Scheme from 1 July 2020 to 30 June 2021

- 5.1 For the purposes of paragraph 5, a new Law Practice is one which commences from 1 July 2020 to 30 June 2021 and has no Prior Law Practice within the definition contained within this Rule.
- 5.2 Any new Law Practice to which this Rule applies shall pay to the QLS an Insurance Levy to be calculated in accordance with the following provisions. The said levy amounts are to be paid within 14 days of receiving a levy notice from the QLS.
- 5.3 The new Law Practice shall provide an estimate of the GFI from the anticipated commencement date to 30 June 2021 pursuant to rule 10 and the Base Levy payable will be calculated as follows:
- (a) The estimate of GFI shall be annualised by multiplying the estimate by 365 and dividing by the number of days remaining until 30 June 2021.
- (b) The annualised estimated GFI shall stand as the Law Practice's Applied GFI and will then form the basis for a calculation of the Base Levy in the manner provided for in paragraph 2.
- (c) The amount so determined shall then be prorated in accordance with Table 3 and it is this amount that shall be payable as a Base Levy under paragraph 5.2.

- 5.4 The Base Levy determined in accordance with paragraph 5.3 shall be subject to recalculation as provided for in paragraph 4.1, where:
- (a) the references to “2019 – 2020” shall be deemed to read for the purposes of this paragraph only, “2020 – 2021”; and
 - (b) the references in paragraphs 4.1(c) and (d) to “its Insurance Levy for 2021 – 2022” shall be deemed to read “its next payable Insurance Levy”.

6. Existing Law Practices entering the Scheme from 1 July 2020 to 30 June 2021

- 6.1 For the purposes of paragraph 6, an existing Law Practice is one which was insured elsewhere immediately prior to seeking to enter the Scheme.
- 6.2 Any existing Law Practice to which this Rule applies shall pay to the QLS an Insurance Levy to be calculated in accordance with the following provisions. The said levy amounts are to be paid within 14 days of receiving a levy notice from the QLS.
- 6.3 The existing Law Practice shall provide any information requested by the QLS pursuant to rule 10 and the Base Levy payable will be calculated as follows:
- (a) In the manner provided for in paragraph 2.
 - (b) The amount so determined shall then be prorated in accordance with Table 4 and it is this amount that shall be payable as a Base Levy under paragraph 6.2.

- 6.4 The Base Levy determined in accordance with paragraph 6.3 shall, where applicable, be subject to recalculation as provided for in paragraph 4.1, save that the reference in paragraph 4.1(b) to “paragraph 3” shall be deemed to read, for the purposes of this paragraph only, “paragraph 6.5”.
- 6.5 In addition to the Base Levy, the existing Law Practice shall pay a Claims Loading which will be calculated as follows:
- (a) A Claims Loading is payable as set out in Table 5.

- (b) The Loss Ratio is calculated as follows:
- (i) determine as at 31 March 2020 a 5 year Claim value for each existing Law Practice, calculated as follows:
- (A) total the monetary value of all Claims against the existing Law Practice (which for the purpose of this calculation shall include any Prior Law Practice) for which indemnity has been granted by any Primary Layer Insurer within the five years immediately preceding 31 March 2020.
- (B) the monetary value of a Claim shall include:
- (aa) where the claim has not been finalised, actual monies paid as at 31 March 2020 together with the reserve then held for the Claim by any Primary Layer Insurer;

- (bb) where the Claim has been finalised, the actual amounts paid; and
 - (cc) in all cases, the actual or reserved amounts relating to the Claimant's legal costs and disbursements and the Defence costs but shall be net of any deductibles, Excesses or Deterrent Excesses (or payments of a like characterisation) paid by an existing Law Practice to any Primary Layer Insurer and any third party recoveries received as at 31 March 2020.
- (ii) determine as at 1 July 2020 a 5 year deemed levy value for each existing Law Practice, which shall be calculated as being 5 times the Base Levy calculated pursuant to paragraph 6.3 (but excluding any EMR Discount); save for where an existing Law Practice has been insured under a QLS Master Policy during the 5 years prior to 1 July 2020 in which case:
- (A) for those years the existing Law Practice was insured under a QLS Master Policy the actual levies paid shall be used (but excluding any EMR Discount); and
 - (B) for all other of the 5 years, the Base Levy calculated pursuant to paragraph 6.3 (but excluding any EMR Discount) shall be used.
- (iii) the Loss Ratio is then determined by dividing the value given in (i) by the value given in (ii) expressed as a percentage.
- (c) The Loss Ratio determined for an existing Law Practice in paragraph 6.5 will attract a Claims Loading percentage as set out in Table 5. That percentage shall be multiplied by the Base Levy payable in paragraph 6.3 (excluding, for this purpose, any EMR Discount).
- (d) The figure calculated pursuant to paragraph 6.5(c) shall be payable by the existing Law Practice as its Claims Loading.

6.6 The Claims Loading calculated in accordance with paragraph 6.5 shall be subject to recalculation as provided for in paragraph 4.2, save that the reference therein to "paragraph 3.2" shall be deemed to read, for the purposes of this paragraph only, "paragraph 6.5".

7. Amalgamation of Law Practices which occur from 1 July 2020 to 30 June 2021 to form an Amalgamated Law Practice

- 7.1 In the event that one or more Law Practices currently insured with Lexon amalgamate during the period from 1 July 2020 to 30 June 2021 (for the purposes of paragraph 7, the resulting entity is an "Amalgamated Law Practice"), and any of such Law Practices constitute Prior Law Practices of the Amalgamated Law Practice, then:
- (a) the Amalgamated Law Practice shall be insured from the date of the amalgamation in the name of the resulting entity; and

- (b) there shall be no additional Insurance Levy then payable for the 2020 – 2021 year by reason of the amalgamation and the Insurance Levy paid by the constituent Law Practices shall stand as the Insurance Levy for the Amalgamated Law Practice; and
- (c) the Amalgamated Law Practice stands as the Successor Law Practice of all constituent Prior Law Practices.

8. Insurance Levy payable by Law Practices with an Applied GFI of more than \$500,000

8.1 For Law Practices with an Applied GFI of more than \$500,000, the Insurance Levy calculated pursuant to paragraphs 1 to 7 (as applicable) of Schedule 4 may be varied by QLS having regard to the following factors:

- (a) the Applied GFI of the Law Practice (including any Prior Law Practice);
- (b) the existing risk management systems in the Law Practice;
- (c) the areas of law in which the Law Practice practises;
- (d) the demonstrated expertise of the Law Practice in the areas of law in which it practises;
- (e) the claims history of the Law Practice (including any Prior Law Practice);
- (f) the number of Associates of the Law Practice;
- (g) the current and future operation and viability of the indemnity insurance scheme, including securing reinsurance arrangements; and
- (h) any other matter considered relevant by QLS in determining the Insurance Levy.

Example:

An increased Excess that the Law Practice agrees to pay in the event of a claim on the policy may result in a variation in the Insurance levy otherwise payable.

8.2 Lexon is to provide its recommendation regarding the matters raised in paragraph 8.1 to QLS.

8.3 Where a variation occurs pursuant to paragraph 8.1, it shall be the Insurance Levy that stands as the amount payable by the Law Practice for the 2020 – 2021 year.

9. Acquisition Endorsements

9.1 Where a Law Practice currently insured with Lexon (the "Purchaser") intends to acquire another Law Practice currently insured with Lexon (the "Vendor") and:

- (a) the acquisition will occur during the period from 1 July 2020 to 30 June 2021;
- (b) Lexon has provided a recommendation to QLS regarding offering the benefit of this paragraph 9;

- (c) the Purchaser has been offered by QLS, in its absolute discretion, the benefit of this paragraph 9;
- (d) the Prescribed Fee has been paid; and
- (e) the acquisition occurs on the Date of Acquisition;

then any Designated Claims which would otherwise be ascribed to the Purchaser shall be excluded from any calculations made pursuant to paragraph 3 or 4.2 (and the equivalent paragraphs in future years).

9.2 Date of Acquisition means the date of the agreed formal transfer of the Vendor's practice to the Purchaser as declared to QLS and Lexon.

9.3 Designated Claims mean any Claims and/ or Circumstances relating to the Vendor's Law Practice notified to Lexon after the Date of Acquisition and which:

- (a) were unknown to the Purchaser as at the Date of Acquisition;
- (b) relate to a client matter which has been finally billed and closed prior to the Date of Acquisition; and
- (c) had not been disclosed to Lexon by the Vendor as at the Date of Acquisition.

9.4 The Prescribed Fee is calculated as follows:

- (a) determine:
 - (i) 20% of the last full year Insurance Levy paid by the Vendor, but where the amount so calculated is less than \$1,000 it shall be deemed to be \$1,000; or
 - (ii) 20% of the grossed up full year equivalent of the Insurance Levy last paid by the Vendor where the Vendor has not yet paid a full year Insurance Levy, but where the amount so calculated is less than \$1,000 it shall be deemed to be \$1,000;
- (b) determine:
 - (i) 25% of the value given in paragraph 9.4(a), where the difference in Excess payable by the Vendor and Purchaser immediately prior to the Date of Acquisition pursuant to the applicable Master Policy was between \$22,499 and \$42,499; or
 - (ii) 50% of the value given in paragraph 9.4(a), where the difference in Excess payable by the Vendor and Purchaser immediately prior to the Date of Acquisition pursuant to the applicable Master Policy was \$42,500 or above.
- (c) the Prescribed Fee is the sum of the applicable values in paragraph 9.4(a) and 9.4(b).

10. Departing Practice Claims Loading

- 10.1 A Departing Practice (2020/21) shall pay upon demand by QLS a Departing Practice Claims Loading Levy as set out below.
- 10.2 The Departing Practice Claims Loading Levy payable is:
- (a) the combined total of the amounts calculated in paragraphs 10.3(e), 10.4, 10.5, 10.6 and 10.7; and
 - (b) may be payable by instalment on such terms as are reasonable in the absolute discretion of QLS.
- 10.3 A Year 1 Claims Loading is calculated as follows:
- (a) determine as at 30 June 2021 a 5 year Claim value for the Departing Practice (2020/21), calculated as follows:
 - (i) total the monetary value of all Claims against the Departing Practice (2020/21) as at 30 June 2021 (which for the purpose of this calculation shall include any Prior Law Practice) for which indemnity has been granted by Lexon between 1 April 2016 and 30 June 2021 (both days inclusive).
 - (ii) the monetary value of a Claim shall include:
 - (A) where the Claim has not been finalised, actual monies paid as at 30 June 2021 together with the reserve then held for the Claim by Lexon;
 - (B) where the Claim has been finalised, the actual amounts paid; and
 - (C) in all cases, the actual or reserved amounts relating to the Claimant's legal costs and disbursements and the Defence Costs but shall be net of any deductibles, Excesses or Deterrent Excesses paid by a Departing Practice (2020/21) to Lexon and any third party recoveries received as at 30 June 2021.
 - (b) determine as at 30 June 2021 a 5 year levy value for the Departing Practice (2020/21), being the Insurance Levy (net of GST) paid by the Departing Practice (2020/21) (including any Prior Law Practice) for the period 6PM on 30 June 2020 to 6PM on 30 June 2021 (but excluding any penalty levies or Deterrent Excesses or any EMR Discount); which total shall then be multiplied by 5.
 - (c) the Loss Ratio is then determined by dividing the value given in (a) by the value given in (b) expressed as a percentage.
 - (d) the Loss Ratio determined for a Departing Practice (2020/21) in paragraph 10.3(c) will attract a Claims Loading percentage as set out in Table 6. That percentage shall be multiplied by the Base Levy paid by the Departing Practice (2020/21) for the period 6PM on 30 June 2020 to 6PM on 30 June 2021 (excluding, for this purpose, any EMR Discount).
 - (e) The sum resulting from the calculation provided for in paragraph 10(a) – (d) (inclusive) shall be payable by the Departing Practice (2020/21) as its Year 1 Claims Loading.

Example:

The Base Levy of a Departing Practice (2020/21) is \$9,408.00. In addition, its 5 year Claim value under paragraph 10(3)(a) totals \$40,000.00 and its 5 year levy value is \$47,040. As a consequence, its loss ratio (being the 5 year Claim value divided by its 5 year levy value) is 85.03%

Applying Table 6, the Departing Practice (2020/21) therefore attracts a 30.80% Year 1 Claims Loading which will be calculated as follows:

30.80% of \$9,408.00 = \$2,897.66

10.4 A Year 2 Claims Loading shall be calculated as set out in paragraph 10.3 save that:

- (a) the reference therein to "Year 1 Claims Loading" shall read for this purpose only "Year 2 Claims Loading";
- (b) the reference therein to "1 April 2016" shall read for this purpose of only "1 April 2017"; and
- (c) the amount so calculated shall be discounted by 5%.

Example:

The Base Levy of a Departing Law Practice (2020/21) is \$9,408.00. In addition, its 5 year Claim value totals \$35,000.00 and its 5 year levy value is \$47,040. As a consequence, its loss ratio (being the 5 year Claim value divided by its 5 year levy value) is 74.4%

Applying Table 6, the Departing Practice (2020/21) therefore attracts a 22.55% Year 2 Claims Loading which will be calculated as follows:

22.55% of \$9,408.00 discounted by 5% = \$2,015.43.

10.5 A Year 3 Claims Loading shall be calculated as set out in paragraph 10.3 save that:

- (a) the reference therein to "Year 1 Claims Loading" shall read for this purpose only "Year 3 Claims Loading";
- (b) the reference therein to "1 April 2016" shall read for this purpose of only "1 April 2018"; and

- (a) the Departing Practice (2020/21) shall be entitled to a recalculation of any prior Loss Ratio within which the Claim relevantly fell, adopting for the purposes of the calculation the total amount paid for the Claim; and
 - (b) if that recalculation results in a reduction in the Claims Loading that the Departing Practice (2020/21) would otherwise have paid pursuant to paragraph 10; the Departing Practice (2020/21) shall be entitled to a refund equal to the difference between the total actually paid pursuant to paragraph 10 and the amount recalculated pursuant to paragraph 11.1 (a) (excluding, for this purpose, any EMR Discount).

- (b) a Law Practice which has nominated to participate in the EMR Program which has an excess greater than \$30,000 per claim and which has a file review program approved in writing by Lexon to be similar to the terms set out herein. The Law Practice commences to be an EMR Practice from the time the review program is approved by Lexon.

EMR Program means the Enhanced Management Review Program as set out in paragraph 2.

Review Date means:

- (a) within two (2) months of the first of July for the relevant insurance year; or
- (b) where a new Law Practice (as defined in Schedule 4) enters the EMR Program after 31 August, by the end of the relevant two month period set out in (c) in which it commenced; and

The Reviewer cannot, subject to staffing numbers, be the same person for consecutive reviews unless the Law Practice has such a specific risk management employee.

Or

(b) In the case of an EMR Practice comprising only one practicing certificate holder, whether a sole practitioner or a sole legal practitioner director (either being herein defined as a “Sole Practitioner”) and other employees who are Relevant File Authors, any other Relevant File Author who is not the Relevant File Author having his or her Subject Files reviewed.

These files will be selected randomly from the Law Practice’s file register by an administration employee or if the Law Practice does not have such an employee, by the Reviewer. In the case of a Sole Practitioner, this will be by the Sole Practitioner.

2. EMR Program

An EMR Practice must, from the date of election to participate in the EMR Program, comply with its undertaking to:

- (a) Ensure a Reviewer carries out File Reviews of all Relevant File Authors by the relevant Review Date; and
- (b) In the case of Negative Results in an EMR Practice comprising more than one practising certificate holder or, as the case may be, one practicing certificate holder and other employees (whether administrative staff or Relevant File Authors), have the managing partner or main legal practitioner director meet with the Reviewer and the Relevant File Author to determine the cause of the Negative Result and to document a plan to:
 - (i) manage any underlying issues giving rise to the Negative Result, and
 - (ii) provide the Relevant File Author with more regular file reviews as the EMR Practice thinks fit but in any case more regularly than as required by this EMR Program, until the EMR Practice is satisfied that any underlying issue has been managed appropriately; and
 - (iii) document the outcome of the plan; or

- (c) In the case of Negative Results in an EMR Practice comprising only a Sole Practitioner:
 - (i) document a plan to manage any apparent or underlying issues giving rise to the Negative Result, which might involve:
 - (A) discussing issues with a colleague,
 - (B) discussing issues with a fellow District Law Association member,
 - (C) telephoning Solicitor Assist to discuss ways in which any Negative Results might be managed, or
 - (D) telephoning a member of Lexon's risk team to discuss ways in which any Negative Results might be managed; and
 - (ii) document the outcome of the plan.
- (d) Maintain an EMR log in the form provided in the EMR Pack which will record file review activity, any Negative Result plan and collate finalised Lexon File Checklists, all of which are to be kept for at least 5 years from the relevant Review Date, and
- (e) Participate in any EMR Review conducted by Lexon. A refusal to permit an authorised delegate of Lexon to review an EMR log will constitute non-compliance with the EMR Program.
