Dear Executive Director

COPYRIGHT AND THE DIGITAL ECONOMY (IP 42)

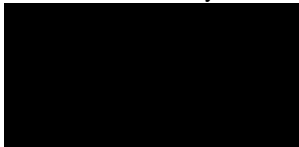

Thank you for the opportunity to make submissions in relation to the Issues Paper: Copyright and the Digital Economy.

Unfortunately the Society has been unable to address the multiple far ranging, complex and sometimes controversial issues raised in the Issues Paper within the limited time provided.

However the Society and in particular the Queensland Law Society Technology and Intellectual Property Committee have a continuing interest in the issues raised in the Issues Paper and would welcome the opportunity to comment on any specific proposals which the Commission may make in respect to those issues.

Please do not hesitate to contact our policy solicitor, Ms Louise Pennisi, on [REDACTED] or via email on [REDACTED] should you have any queries regarding this letter.

Yours faithfully

Ian Brown
Vice President
