

Professional Standards Scheme Application Form

This form is only for previously ineligible members who are now eligible to join the Scheme ie previously government or corporate PC holders. The form is only for current members. If a practitioner is joining the Society, participation in the Scheme is taken up in that process.

Queensland Law Society Professional Standards Scheme (the Scheme) offers members peace of mind by protecting you from uncapped damages claims for occupational liability, relieving many of the need for top-up insurance.

Full guidance on the Scheme, including information on disclosure requirements, can be found on the Society's website at qls.com.au.

Please note The Scheme does not apply to personal injury work. Members are encouraged to read the QLS *Professional Standards Scheme: Guidance for Members* in relation to these and other exemptions, claims aggregation, claims made insurance versus occurrence based scheme and other areas of concern. Enquiries to: 1300 367 757, psscheme@qls.com.au.
